

# March is Developmental Disabilities Awareness Month

*March 1, 2018 San Francisco, CA* March is Developmental Disabilities Awareness Month. Our next level of success seeks to move beyond promoting awareness and elevate the social conversation to recognizing that we as a society need to focus on inclusion and accessibility across the lifespan, in education, employment, healthcare, community leadership, and everything in between. To learn more about this year's advocacy efforts and how you can participate in elevating the conversation visit: <https://nacdd.org/ddam/>
