

Over 70½ and love The Arc San Francisco?

As of December 18, 2015, the IRA Charitable Rollover was passed by Congress and signed into permanent law by the President, allowing taxpayers age 70 ½ or older to transfer up to $100,000 annually from their IRA accounts directly to charity without first having to recognize the distribution as income.

Here's how it works:

- You must be over 70 ½.
- You may transfer any amount up to $100,000 in 2016.
- The amount will count towards your required minimum distribution for the year, and it will not be included in your taxable income.
- Transfers must be completed by December 31, 2016.
- Contact your IRA administrator to make the distribution directly to The Arc San Francisco. Our Tax ID is 94-1415287, The Arc San Francisco, 1500 Howard Street, San Francisco, CA 94103 www.thearcsf.org, 415-255-7200 (phone) 415-255-9488 (fax)

Please note: State tax laws vary, and may not conform to this federal law. These distributions are NOT deductible as a charitable contribution on your income tax return. Please consult with your tax advisor.
