## Job Details

Level	Entry
Job Location	The Arc San Francisco-Howard Street - San Francisco, CA
Position Type	Full Time
Education Level	High School Diploma
Salary Range	\$19.75/hour
Job Category	Nonprofit - Social Services

## Organizational Summary

The Arc San Francisco is a non-profit service and advocacy organization for adults with intellectual and developmental disabilities and their families living in San Francisco, Marin, and San Mateo counties. We currently serve a varied group of over 700 clients who, despite their diverse backgrounds, ages and disabilities, are all similar in their desire to live a life of greater self-determination, dignity, and quality. Our goal is to provide the supports that enable people with developmental disabilities to maximize their potential, live meaningful lives, and become integral members of the community. To that end, we provide a range of services relevant to all areas of adult life, from independent living supports and skills building to employment training and creative expression. As a true community partner, we believe in educational outreach, the power of business partnerships, and the importance of being a reliable resource for families, supporters, public policy makers and all those who share our vision of creating a more informed, diverse and inclusive society.

## Position Summary

Provides health case management for participants with a variety of health needs, with the aim of improving health outcomes, by coordinating care across multiple providers and community agencies and enhancing the use of primary care and other outpatient services. Supports clients in navigating health care system to get the best care in most appropriate setting. Advocates for appropriate care and services for clients within health care system. Acts as liaison to medical providers, long-term care settings, outpatient providers, home health representatives and community agencies. Documents all time spent with and on behalf of participants. Functions independently to manage schedule and maintain communication with all team members.

## Essential Duties and Responsibilities

- Carries caseload consisting of individuals with varying degrees of health needs.
- Coordinates regular health care appointments for age-appropriate health screens, regular preventative care, specialty medical services and procedures. Acts as part of support team to manage participants in acute crisis.
