NEW PARTNERSHIP COMBATS BULLYING

Posted by [Eric](#) on Thursday, May 28, 2015 · [Leave a Comment](#)

People with disabilities are teaming up with LGBT folks to fight bullying. There are many similarities across groups of people in why and how we are bullied, and in how to stand up to and overcome it. Eric Jansen's guests on Out in the Bay (7pm Thursday, May 28) are Dr. Glenn Motola, CEO of [The Arc San Francisco](#), a learning center for adults with developmental disabilities in San Francisco, San Mateo and Marin Counties; Lance Scott, The Arc's Socialization Program Director and instructor of The Arc's anti-bullying classes; and Gabby Castro, an Arc client, peer leader and spokesperson for disability rights. The Arc's anti-bullying curriculum was inspired in part by workshops at the San Francisco Lesbian Gay Bisexual Transgender Community Center. **Airs 7pm PDT Thursday, May 28, on 91.7fm Bay Area + [kalw.org](#).**
