Dear Arc participants and Circles of Support,

In light of recent recommendations from the SFPDPH, beginning on **Tuesday, March 17th**, we are going to close our 3 locations in San Francisco, Daly City and San Rafael until Monday, April 6th. We will reassess during the week of March 30th. No services will be taking place on-site at those locations during that time period.

Educational Day Programs

We will be **closing our educational day programs Art Reach, Comprehensive Community Services, Skills and Friends Like Me at our San Francisco, San Mateo and Marin offices effective March 17th**. Our current plan is **to reopen on Monday, April 6th**, assuming the situation has improved. We will offer ongoing remote check-ins and web-based resources for our participants in these programs until we are back to business as usual.

Supported Employment

We are committed to continuing job coaching support for our employed participants during this time. If your employer is closed due to COVID-19, we will provide remote support. For participants who continue to work, we will provide onsite services as needed. Job development services will also be available remotely.

Residential

Residential services will continue. When available and appropriate, services will be provided remotely.

Health Advocacy

Health Advocacy program will be providing remote services and in-person essential services as needed.

Administration

All of our administrative teams will continue to operate, working remotely as much as possible. Our main office number will be open to answer any questions during office closure, 415-255-7200.

Thank you for your patience and flexibility as we all work together to stay healthy.

Sincerely,

Matthew Tarver-Wahlquist
